

If you are coming from Cape Town on the N2 Turn right just before Swellendam at the Malgas-Infanta turn off. If you are coming towards Cape Town the turning is about 5km after Swellendam. Head towards the sea for 64km along the dirt road. At milestone 64 you will see a left hand turn ahead. This is directly opposite a stone farmhouse. Turn left and carry on towards the river and you will see our sign on the left just before the steep hill to the slipway.
